

**Zadanie 1.****1.1.**

*Girl:* Hi, Mary. My friend Jane will pick you up from the station. She knows that you're going to wear a black and white cap. Jane'll be wearing a scarf and a jacket. She's got long, dark hair. She might be coming with her friend, Anna. She's got fair hair and blue eyes.

**1.2.**

*Peter:* I'd like to go on a bus tour of London.

*Assistant:* There are two-hour tours and four-hour tours. The two-hour tour is £12 and the four-hour tour is £16.

*Peter:* Are there any discounts for students?

*Assistant:* There's a discount for under fifteens.

*Peter:* I see. No discount for me, then.

*Assistant:* Which tour are you interested in?

*Peter:* The two-hour tour, please.

*Assistant:* OK. Here is your ticket and £8 change.

**1.3.**

*Landlady:* Do you like the room?

*Mike:* Well, I was thinking about something smaller. A room with a desk and some shelves.

*Landlady:* I understand, but as you see, the table is quite big. You can put your computer on the table and there are some shelves next to it.

*Mike:* Oh, yes. I haven't noticed them.

*Landlady:* I can take the books and things to another room. You'll have some room for your CDs on the shelves.

*Mike:* Thank you. I have one question. Can I use the kitchen?

*Landlady:* Yes, it's downstairs. Follow me, I'll show you.

**1.4.**

*Speaker:*

There is a terrible traffic jam at Gloucester Avenue. Drivers are advised to use the bypass at junction five or leave their cars at home. We recommend a special bus service for shoppers who want to get off at Queen Mother's Shopping Centre. We remind you that the High Street is closed for repairs.

**1.5**

*Teacher:* Come in. What's the problem?

*Student:* I've got a sore throat and I feel sick.

*Teacher:* Have you been to the doctor's?

*Student:* Yes, I've got to take some pills three times a day.

*Teacher:* Do you think you can write the exam?

*Student:* Well, I'll try, but I'd like to keep a glass of water on my desk if you don't mind.

*Teacher:* Yes, of course. And after the exam, go home and stay in bed for the rest of the day.

**Zadanie 2.****2.1**

I like *Twilight*, both the movie and the books. But I don't understand why people say the movie and the books are stupid without seeing or reading them. Read or watch them first and then you can say why they are stupid.

**2.2**

I used to be a great fan of the *Twilight* books. I've read them all. But I grew up and started looking more closely at the saga and the characters. I was not pleased with what I found out.

**2.3**

*Twilight* might be stupid to some and beautiful and romantic to others. Everybody's got a different taste. To me, reading it was not worth the time. Why didn't I read something else instead?

**2.4**

If someone says they hate *Twilight*, it's OK. I love both, the books and the movies, and people's opinions on what I like don't matter to me. It's up to them what they think.

B: Oh hello. I'm phoning to ask if you've got anything available for the last two weeks in August.

A: I can offer you a room by the pool ... number 17. It's 50 euros a night.

B: Is it big enough for a couple?

A: Oh yes, it has twin beds.

B: Great. I'll take it.

Wypowiedź pisemna (przykładowy tekst)

Hi everyone,  
Guess what! There is a new shopping centre in our town. It opened last Saturday and I was lucky to be among the first guests, who visited it just after its opening at 10 o'clock. It's called Whistler's and it's located near my house, very close to the Town Hall. They have got almost everything. They sell clothes, books, toys and even furniture. There is a great restaurant on the top floor, which offers an amazing range of Italian style dishes. Yummy!  
My favourite thing about Whistler's is the electronics department. They have all the latest gadgets that customers can try. I spent hours in there. I can't wait to go shopping there again!  
Fancy going?
