

1 Read the text and label the Father's Day gifts in the pictures(1-4) with the words in bold.

Fathers DAY

Father's Day is a special celebration when people can thank their dad for everything he does for them. A lot of countries celebrate Father's Day on the third Sunday in June each year. Other countries such as Italy and Spain celebrate it on 19th March. On Father's Day, lots of children give their dad a **Father's Day card** and a gift like a **tie**, **socks**, or **tools**. In some countries, children spend the day with their dad and do fun activities such as going hiking or fishing. Families also have a special meal with their dad's favourite food.
