

HOW TO CELEBRATE | EARTH DAY!

1 Read and underline. Then match.

Earth Day is on 22nd April. It's a day to appreciate our beautiful planet Earth and inspire us to protect it! There are many small things we can do every day that can make a big difference! Here are a few different ideas to help and protect the environment:

1 SAVE WATER

Make sure you turn off the **1) tap/bath** while you are brushing your teeth. Also, **2) doing/taking** a shower instead of a bath saves a lot of water.

3 RECYCLE

Be sure to recycle what you can at school. This **5) consists/includes** paper, plastic, aluminium and glass. Remember: whenever you recycle, less **6) damage/energy** is done to our planet!

5 VOLUNTEER

Organise a **9) pick-up/clean-up** day at a nearby park or beach with your class. **10) Volunteering/Participating** is a great way to make new friends and help the planet at the same time!

2 SAVE ELECTRICITY

Always turn off the TV when you're not watching it and turn off the lights when you **3) leave/enter** a room. You should also **4) plug/unplug** your charger when your mobile phone is fully charged.

4 PLANT A TREE

More trees mean more **7) oxygen/pollution** and cleaner air! It will help you feel **8) friendlier/closer** to nature as you watch the trees grow big and strong!

6 USE GREEN TRANSPORT

Walking or riding a bike to school is a wonderful way to **11) waste/protect** the Earth. You will be **12) fitter/better** and stronger, too!
