### **My school** *by Mary*

Today I want to talk about my school. My school is great! It has got lots of facilities, ICT rooms, science labs and music rooms. It has got a fantastic library, too! There are lots of nice books there and I always go there to do my homework.

What I love most, though, is the school gym! I'm really interested in exercising and playing sports. I'm also very good at playing basketball, that's why I joined the school basketball team! My team won a very important match last week. I was so happy!

I like all my teachers, but my Geography teacher, Mr Tims, is my favourite because he helps me when I don't understand something. His lessons are always interesting.

And you? Do you like your school?
