Hi, Cindy!

1 How are you? Just writing to let you know about the music festival last Friday night. It was brilliant! It's a shame you couldn't come.

2 I went to the festival with some friends from school. There were four bands playing, but the first band was my favourite. They are a new band called *The Red Bananas*. They performed a lot of rock and roll songs and some catchy pop songs, too. The lead singer is called Lou Lou. She's got a beautiful voice and she's an excellent performer. The audience sang and danced the whole time. It was amazing! I took a lot of photos and I bought some really cool T-shirts, too! After the festival, we ate pizza and ice cream.
